Delivery time

- standard***
 4 days****
 3 days****

*** 5-7 working days

**** please consult Analytico, limited capacity

* Please indicate the sample matrix (**S** = Soil; **W** = Water).

** Please indicate the expected level of contamination of the sample (**L** = Low; **M** = Medium; **H** = High)
 Note that an (unknown) high level of contamination could influence the delivering time of the results.
